

MEDFORD FIRE DEPARTMENT HIGH RISE PLAN

BASE SUPPORT

Responsibilities

- Establish the Base
 - (parking of apparatus)
- Gather equipment from engines
- Gather passports, get them to the IC
- Direct crews into building with extra equipment to carry

Information you need

- Who is your Supervisor – IC or Logs
- What are the immediate needs by Operations?
- Are you sending crews to Lobby or directly to Staging?

Radio Frequency

- Request a separate tactical frequency for Logistics
- Monitor the operational tactical frequency

Obtain

- A second portable radio
- The Base Kit from 8153

Consider

- Requesting PD Officers to assist moving equipment into the building
- Establishing a “quick retrieval” system for equipment that Operations needs RIGHT NOW!
- Using Support Staff to pick up Passports

ACTIONS

- **Wear your vest**
- **Establish an apparatus base area to obtain equipment**
 - Manage the parking area
- **Check in for greater alarm crews**
 - Collect their passports
 - Tell them what to carry
 - Direct them into the bldg
- **Anticipate needs**
 - SCBA Bottles
 - Hotel packs
 - Irons
 - Portable Radios
 - RIT Packs
 - Rope
 - PPV Fans
 - Chainsaws
 - Lighting
 - Pike Poles
 - Salvage Supplies
 - Rehab Supplies
- **Get Passports to the IC**
- **Respond to requests for equipment**
